

YOU CAN MAKE A DIFFERENCE

## St Vincent de Paul Society Winter Appeal 15 & 16 June 2024

The Ingleburn St Vincent de Paul Members invite you to help local struggling families again this Winter. High inflation and large cost of living increases due to rises in the cost of, rent, food, energy bills and petrol have affected us all, but it has affected the marginalised in our community more acutely, and there is only so much you can cut back on the necessities of life. Families in private rental have been finding it particularly difficult dealing with large increases in rent, whilst others in the community have recently lost a job, are escaping family violence or are struggling on reduced income.

Please give to this appeal and help us to provide support for those in our community who need it the most. As the Conference has only volunteer members, all of the money raised by this Appeal will be used to assist the families in need.

There will be appeal envelopes on the Church pews which you can use to make a cash or credit card donation, and these can placed in the second collection or be placed in a Appeal Box as you leave the Church. You may also wish to take them away and return next week with your donations. If you require a receipt for taxation purposes please include your details on the appeal envelope.

If you wish, you may also donate on-line directly to the Ingleburn St Vincent de Paul Conference by following the below link to our fund-raising page. You can also scan the QR code on the Vinnies Winter Appeal poster in the Church and this will also take you to the fundraising page. <https://my.fundraise.vinniesnsw.org.au/fundraise-your-way/holy-family-parish-ingleburn-st-vincent-de-paul-fundraising-page>

Any monies donated through this link will be allocated directly to the Ingleburn St Vincent de Paul Conference.

We thank you so much for your generosity in support of this Appeal.  
The Ingleburn St Vincent de Paul Members.

## Reflection

In the Gospel of today, we get a glimpse of what the Kingdom of God looks like through the parable of the mustard seed. One aspect of the Kingdom of God is the need to grow in faith and to be witnesses to Christ in this world by living our faith in action in our daily lives.

The parable reflects a parallel to our spiritual life, where we are constantly growing in holiness and towards the making of Christ as the centre of our lives. Faith needs time and patience to grow naturally. This is aided by the help of a consistent relationship with God and the community of believers; and oftentimes, there is a vast potential within the seeds, like the mustard seed, that far surpass our expectations of what the seeds may do.

Like the seeds, we need the right environment that allows faith to grow and mature. Once the environment is correct then we need to stay for the long term in this environment and learn to live there and not leave as soon as something goes wrong. Developing a life of prayer and reading Word of God enables us to see the graces and virtues that we have developed over the years.

Let us, therefore, be the mustard seed that grows with other believers and goes out in the world to be witnesses of Christ by the way we live and be present in the world to be a leaven for change and discipleship.
